Multifeed 78

Two Types of Feeders in one unit!! Air/Vac Pile Feeder and Friction Belt Feeder Includes Registration table

MULTIFEED solves the problem of needing two separate feeders for the widest variety of work. Use the MULTIFEED in vacuum mode for light weight delicate sheets and then in belt feed mode for small, irregular shaped or heavy stocks.

Changing over configurations is fast simple and hassle free. Size max cm.78 \times 78 Size min cm 15 \times 20
